

Pull Up To the Bumper

Grace Jones

Driving down those city streets
Waiting to get down
Wont you get your big machine
Somewhere in this town?Now in the parking lot garage
I found a proper place
Just follow all the written rules
Youll fit into the spacePull up to my bumper, baby
In your long black limousine
Pull up to my bumper, baby
And drive it in betweenPull up to it, dont drive through it
Back it up twice, now that fits niceOperate around the clock
Slow it if you come in?
Ive got lots of space for everyone
One for you my friend?My lines are short, Ill fix you up
So wont you please come on
Shiny sleek machine, you wheeled
Ive got to blow your hornPull up to my bumper, baby
In your long black limousine
Just pull up to my bumper, baby
And drive it in betweenPull up to it and dont drive through it
Back it up twice, now that fits nice
Race it, straighten it, let me lubricate itPull up to my bumper
Pull up to my bumper
Pull up to my bumper
Pull up to my bumperPull up to my bumper, baby
Pull up to my bumper, baby
Pull up to my bumper
Pull up to my bumper
Pull up to my bumper
Pull up to, pull up to my bumper
