Carrera

G.I. Joe boy, monkey suit man Shamu, 5.0, flatfoot motherfucka make less money
than the damn schoolteacher Make less money than a damn school teacher

Ignorant redneck

Squeal, squeal, squeal

I'm gettin' tired of dealing with the p.i.g.c.o.w.a.r.d

Cro-Magnum, meter maid fed, cinder block (hed)

How to serve and protect everything that you hate-wait

Your pencil neck's about to break

Coward, coward

What's with that chip on your shoulder?

What's with that chip on your shoulder?

Vacuum

Vak-yoom brain ded

Oink-oink, cornfed

No action seein'

Glorified security guard

Causin' more trouble than you find on your silly beat

Useless & integrated

The hate and race war you perpetuate will soon end

Then, you'll be unemployed

Checkin' my ID for a livin'

Insecure, power struck excuse for a pig

Smell the bacon fryin'

See it dyin' in my nice dreams

Slice these officers

Bleedin' from the cap that me just twisted back-snap!

Slut

Coward, coward

What's with that chip on your shoulder?

What's with that chip on your shoulder??!

What's with that chip on ya shoulder??

WHAT's With that chip on ya shoulder???

Don't stop!

check it out chumb, ya got tha hednigga up in this muthafucka

yo got tha O.M.C in tha house, ya got tha H.E.D in da house, Orange County nigga

checkin' for a motherfuckin' place to be ten point two three,

dancers fate with the fencers down with the prankers

fucking by the court rolling MC's calling but the faggot turned the phone off,

blows it, flows it, barely knows it, all fuckd up with the wimp that shows it
all boesin' up like airborne, 'ot like gypsy, burn like napalm, yeah, silly
nigga no yo can't rip dis up all by the law and rip the spirit lip K.K.K loud
like a beetlebug in ya back here they come, here they come, here they come,
here they come, and when we come we come we come hard, and when we come we come
