Nothing Else Matters

Scala & Kolacny Brothers

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else mattersNever opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else mattersTrust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else mattersNever cared for what they do
Never cared for what they know
But I knowSo close no matter how far
It couldn't be much more from the heart
Forever trusting who we are
And nothing else mattersNever cared for what they do
Never cared for what they know
But I knowI never opened myself this way hey
Life is ours, we live it our way hey
All these words I don't just say hey
And nothing else mattersTrust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else mattersNever cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know, yeah yeah!So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
No nothing else matters.
