

# Where's the Love

Hanson

Something's been going on  
And I don't know what it is  
You don't mind the taking, girl  
But you don't know how to give You drove me crazy but I don't know baby  
You're thinking that it's me you're fooling  
Where's the right in all of our fighting?  
Look at what you're doing Where's the love, it's not enough  
It makes the world go 'round and 'round and  
Where's the love, give it up  
It makes the world go 'round and 'round and 'round Can you tell me what you see  
Whenever you look around?  
We're tripping all over ourselves  
And pulling each other down We're separating, consciousness is fading  
Are you thinking that it's me you're fooling?  
Where's the right in, all of our fighting?  
Look at, look at, look at what we're doing Where's the love, it's not enough  
It makes the world go 'round and 'round and  
Where's the love, just give it up  
It makes the world go 'round and 'round and 'round Dark clouds all around, lightning, rain pouring down  
Waiting for the bright light to break through  
Face down on the ground, pick us up at the lost and found  
We've got to change our point of view if we want the sky blue We're segregating, consciences are fading  
You're thinking that it's me you're fooling  
Where's the right in all of our fighting?  
Look at what we're doing Where's the love, it's not enough  
It makes the world go 'round and 'round and  
Where's the love, just give it up  
It makes the world go 'round and 'round and 'round Where's the love, it's not enough  
It makes the world go 'round and 'round and 'round and 'round  
Where's the love, just give it up  
It makes the world go 'round and 'round and 'round Where's the love, it's not enough  
Give it up, just give it up, give it up, give it up  
'Round and 'round and 'round Where's the love, it's not enough  
Not enough, not enough  
'Round and 'round and 'round and 'round  
Where's the love, just give it up  
Won't you, won't you give it up?
