

# Sick of Being Told

Grace VanderWaal

I don't wanna be difficult  
At all  
But let's just try it my way  
I mean c'mon I've showed you countless numbers of times  
That I can do it (I can do it)  
So for one time in your whole life  
Just let me try it (let me try it) I'm sick of being to-o-o-o-old  
Of what I should kno-o-o-o-ow  
I just wanna let go-o-o-o-o  
I wanna run away just to live my life my way  
Hey, wo-o-o-o-oah  
Sick of being to-o-o-o-old  
Wo-o-o-o-oah  
Sick of being to-o-o-o-old  
What's the harm  
To have a little fun?  
Been so uptight  
I don't need to fight  
I'm just, saying what I've showed you countless numbers of times  
That I can do it (I can do it)  
So for just once in your whole life  
Just let me try it (let me try it) I'm sick of being to-o-o-o-old  
Of what I should kno-o-o-o-ow  
I just wanna go-o-o-o-o  
I wanna run away just to live my life my way  
Hey, wo-o-o-o-oah  
Sick of being to-o-o-o-old  
Wo-o-o-o-oah  
Sick of being to-o-o-o-old  
I see stars, you just see holes in the sky  
You tell me you see it too, but I know that's a lie  
I dream but then I just see the darkness of your eyes  
I won't let you change me tonight I'm sick of being to-o-o-o-old  
Of what I should kno-o-o-o-ow  
I just wanna let go-o-o-o-o  
I wanna run away so I can live my life my way  
Hey, wo-o-o-o-oah  
Sick of being to-o-o-o-old  
Wo-o-o-o-oah

Sick of being to-o-o-o-oldWo-o-o-o-oah

Sick of being to-o-o-o-old

Wo-o-o-o-oah

Sick of being to-o-o-o-old
