

# Spit Trap Ghetto

## Sarah Fimm

Crazy getting silly with a fat old man and his alligator hands so cold  
Rubbin me down with a toothless frown  
Says he'd give 20 dollars to shoot his load Schizophrenic Simon with his crack jaw hacksaw dirty motherfucker  
look  
Everybody wants some  
Blood from babies  
Street cracked daisies  
Get em at the dollar store. Gia is forever  
All paper clipped together  
With her Christ magazines and smoke stained teeth  
Totally high  
Ready to die  
Revved up and ready to fly
