

Lazarus

Dawn Richard

[Intro]

I watch my soul rise up
Rise up, rise up[Verse 1]
My ignorance is a human thing
My ascension is a spirit thing
I can be both and the same
I didn't change, I became[Verse 1]
My ignorance is a human thing
My ascension is a spirit thing
I can be both and the same
I didn't change, I became[Chorus 1]
I watch my worries rise up
Rise up, rise up
This life don't know, rise up
Rise up, rise up[Post-Chorus]
They slept on the rise up
They slept on the rise up
They slept on the rise up
The rise up
The rise up[Verse 2]
My hunger is a wolf thing
My ego is a king thing, yeah
I can be both and the same
I didn't change, I became[Chorus 1]
I watch my worries rise up
Rise up, rise up
This life don't know, rise up
Rise up, rise up[Chorus 2]
I watch my soul rise up
Rise up, rise up
This life don't mind, rise up
Rise up, rise up
