I'm Sorry

Susan Salidor

I'm sorry I did
That thing that I did
That made you mad

I'm sorry I said
That thing that I said
That made you sad

When I saw you cry
I could not believe
My eyes

I'm sorry I did
that thing that I did
I apologize

I saw you fall
And I started to laugh
Because I wasn't thinking
About much at all

I sure wasn't thinking
About how you felt
Or if you got hurt
Or how it was that you fell

I have to remember that you are my friend
Now and forever our friendship wont end
And I don't like to see you cry
And I don't like to make you cry

I'm sorry I did
That thing that I did
That made you mad

I'm sorry I said
That thing that I said
That made you sad

When I saw you cry

I could not believe
My eyes

I'm sorry I did
that thing that I did
I apologize

I'm sorry I did
that thing that I did
I apologize
