

# Candy Love

## Guano Apes

Candy candy the taste of love  
Its half past ten and you start to shove  
With spicy boys  
And girls it's on you  
The groove is on  
So don't be cruel Candy candy makes you hot  
Our capacity burns the quality shocks  
The flavour is good  
I'll give you some more  
It was once a phantasy Candy love  
It's a candy like this  
Candy love Candy candy it's eleven o'clock  
The time is right to fall in love  
With spicy boys  
Girls it's on you
