

Baby Love (Official J.R. Rotem Remix)

[Nicole Scherzinger](#)

I remember like it was yesterday
First kiss and I knew you changed the game
You have me, exactly, well you want it,
And I'm on it And I ain't ever gonna let you get away
Holdin' hands never made me feel this way
So special, boy it's your, it's your smile
We so in love La la la la
Yeah
We so in love
La la la la la
And I just can't get enough
Of your La la la la la
Yeah we so in love, love
I want you to know [Chorus]
You are my baby love, my baby love
You make the sun come up (Oh boy, oh boy)
You're my every, everything that I could ever dream of
You are my baby love, my baby love
You make the sun come up (Oh boy, oh boy)
You're my every, every, every, everything Been a minute and we still holding it down
Butterflies every time you come around
You make me, so crazy
It's crazy, oh baby And I don't ever wanna be with no one else
You're the only one that ever made me melt
You're special, boy it's your, your style
We so in love La la la la
Yeah
We so in love
La la la la la
And I just can't get enough
Of your La la la la la
Yeah it's all I'm thinking of
Love
I want you to know You are my baby love, my baby love
You make the sun come up (Oh boy, oh boy)
You're my every, everything that I could ever dream of
You are my baby love, my baby love
You make the sun come up (Oh boy, oh boy) [Chorus] Everything, everything, ooo
Everything, everything, ooo [Will.I.Am]

You're my always and forever
You're my sunshine
On my mind, constant
Think about you all the time
You're my everything Everything, everything, ooo
Everything, everything, ooo[Will.I.Am]
You my new school (love)
You my old school (love)
And it's so true
You're the one I'm thinking of[Chorus]You are my baby love, my baby love
You make the sun come up (Oh boy, oh boy)
You're my every, every, every, everything
You are my baby love, my baby love
You make the sun come up (Oh boy, oh boy)
(You make the sun come up on a cloudy day
You're my number one, you're my special thing)
You're my every, every, every, everything Everything, everything, oh
Everything, everything, oh
You are my baby, baby, baby, baby love Everything, everything, oh
