Unvarnished Facts

Balzac

Go!
What you lookin' for?
It's sorrow and fear (Unvarnished Facts)
This splendid world comes to an ends (Go)
What you lookin' for?
It's sorrow and fear (Unvarnished Facts)
I don't care (There's nothing)(Go)It's over (It's over)
It's over (What you lookin' for)
Wide open eyes staring at you(My feeling left alone) I just see broken memories
(My feeling left alone) What you lookin' for
