Brand New Key

Katharine McPhee

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you've got something I needWell, I've got a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them on to seeI've been lookin' around awhile
You've got something for me
Well, I've got a brand new pair of roller skates
You got a brand new keyI ride my bike, I roller skate, don't drive no car
Don't go so fast but I go pretty far
For somebody who don't drive, I've been all around the world
Some people say I've done alright for a girlI asked your mother if you were at home
She said yes but that you weren't alone
It almost seems like you're avoiding me
I'm okay alone but you've got something I needWell, I've got a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them on to seeWell, I got a brand new pair of roller skates
You've got a brand new key
