

# U A Freak (Nasty Girl)

## Chingy

Collipark

Nasty girl, nasty, nasty girl, nasty Far as I know, u a freak

A lil' nasty girl to shake her ass to the beat

Clap, clap, skeet, skeet

Is all I really wanna do but she don't come cheap Far as I know, u a freak

A lil' nasty girl to shake her ass to the beat

Clap, clap, skeet, skeet

Is all I really wanna do but she don't come cheap C'mon, c'mon, c'mon, c'mon

Chickenhead, patty cake, lean wit it, rock wit it now

C'mon, c'mon, c'mon, c'mon

Chickenhead, patty cake, lean wit it, rock wit it, c'mon Hands up, lil' momma, wats up?

Know you see me pullin' up in that truck

Rimmed up, chin chilla, Timbed up

Hopped out, matchin' furr brim, what? Yeah, these freaks out tonight

Man, heard that they in route tonight

Nobody should be sittin' on the couch tonight

This gray goose got me feelin' so right Far as I know, u a freak

A lil' nasty girl to shake her ass to the beat

Clap, clap, skeet, skeet

Is all I really wanna do but she don't come cheap Far as I know, u a freak

A lil' nasty girl to shake her ass to the beat

Clap, clap, skeet, skeet

Is all I really wanna do but she don't come cheap C'mon, c'mon, c'mon, c'mon

Chickenhead, patty cake, lean wit it, rock wit it now

C'mon, c'mon, c'mon, c'mon

Chickenhead, patty cake, lean wit it, rock wit it, c'mon Now I'm lookin' for that ass and dem jeans

Shaped like a eight walk, real mean

Hot class and always on the scene

Cats ask her why she always lookin' mean Behind closed doors, it's a different thing

She get it from her momma, I ain't mad, 'nah I mean?

I can only show you these two things

Clap, clap, skeet, skeet, now beat Far as I know, u a freak

A lil' nasty girl to shake her ass to the beat

Clap, clap, skeet, skeet

Is all I really wanna do but she don't come cheap Far as I know, u a freak

Clap, clap, skeet, skeet

Is all I really wanna do but she don't come cheap C'mon, c'mon, c'mon, c'mon
