

# Our Time Is Now

**RBX**

Our time is now ("oh yeah!")  
("Oh yeah!")

We live in long beach baby  
Death valley, Cali baby ("oh yeah!")  
Our time is now  
Our time is now ("oh yeah!")

We live in long beach baby  
Anybody killa? mass murder  
Death Valley, Cali baby  
Anybody killa? mass murder

My tactics extract morbid thoughts from the mental  
Custom designed for the instrumental  
Yes indeedy, lyrical graffiti  
And this one's a burner, baby  
Truck like Toyota  
Driven, to a livin', drivin', with the gat  
Uhh! pop the clutch and let the cold crush rush  
Then I flush wack material  
That's if I don't mash the marks to mush  
Now hush, let me brush, damn I gush  
Cock, diesel cuts  
Lyrical arsenal equivalent to arsenic  
Now shut up punks, I want +silence+ from you +lambs+  
Then I slams you with +cape fear+  
I dump hard rocks like dump trucks that I deliver  
Death right to your doorsteps  
Loc' up yoke get broke up like the chronic  
Twisted, rolled up, and smoked

[Chorus]

We live in long beach baby  
Anybody killa? mass murder  
Death valley, Cali baby  
Anybody killa? mass murder

I fly off in your party like stealth bomber, troop  
Eject before the wreck, crash boom bash!  
Can you say, us air, flight 427

Am I a quitter, nigga?  
No survivors, not none, not one  
Only thing livin' is the maggots and the flies  
Then I cause casualties, casually, annually  
The manual be I flip scripts to a-you-t-o-matic  
Think about the words of those who want static  
Leave 'em lyin' limp in clean free sheets  
Long beach, coroner, cling free sheets  
Cling free beats, so why you still clingin'?  
It's the beats, and this time with the rhyme  
I'ma kick the style like Nadia, Komenic  
Round off has me do a triple somersault  
Fools be comin' up short hazardous!  
Bend, I send, havin' this

[Chorus: x2]

Our time is now  
Our time is now ("oh yeah!")

---
