

# The Shadow Of Your Smile

[Nancy Sinatra](#)

One day we walked along the sand, one day in early spring  
You held a piper in your hand to mend its broken wing  
Now I'll remember many a day and many a lonely mile  
The echo of a piper's song, the shadow of her smile  
The shadow of your smile, when you are gone  
Will color all my dreams and light the dawn  
Look into my eyes my love and see  
All the lovely things you are to me  
Our wistful little star was far too high  
A teardrop kissed your lips and so did I  
Now when I remember spring, all the joy that love can bring  
I will be remembering the shadow of your smile
