Mama Call

Manu Chao

Can't you hear me mama call
Can't you hear me crawling
Can't you hear me mama call
Can't you hear me trying
Can't you hear me when I call
I'm a long way from sightTonight tonight
It's a long long night
tonight tonight
It's a long long nightCan't you see me baby fly
Can't you see me falling
Can't you hear me when I call
Can't you see me fall
Can't you hear me mama call
Can't you hear me mama call
Tonight tonight
It's a long long night
Tonight tonight
It's a long long nightCan't you hear me mama call
Can't you hear me crawling
Can't you hear me when I call
Can't you see me fall
Can't you hear me mama call
can't you hear me mama call
Can't you hear me mama callMe hielo en la habitacin
No tengo calefaccin
Can't you get no satisfaction
So me bajo pa la calleIt's a long long night
Can't you hear me mama call
Can't you hear me crawling
Can't you hear me call
Can't you hear me falling
Can't you hear me fall
I'm a long way from home...
