

# Mama Call

## Manu Chao

Can't you hear me mama call  
Can't you hear me crawling  
Can't you hear me mama call  
Can't you hear me trying  
Can't you hear me when I call  
I'm a long way from sight Tonight tonight  
It's a long long night  
tonight tonight  
It's a long long night Can't you see me baby fly  
Can't you see me falling  
Can't you hear me when I call  
Can't you see me fall  
Can't you hear me mama call  
Can't you hear me mama call  
Tonight tonight  
It's a long long night  
Tonight tonight  
It's a long long night Can't you hear me mama call  
Can't you hear me crawling  
Can't you hear me when I call  
Can't you see me fall  
Can't you hear me mama call  
can't you hear me mama call  
Can't you hear me mama call Me hielo en la habitacin  
No tengo calefaccin  
Can't you get no satisfaction  
So me bajo pa la calle It's a long long night  
Can't you hear me mama call  
Can't you hear me crawling  
Can't you hear me call  
Can't you hear me falling  
Can't you hear me fall  
I'm a long way from home...
