Kisses and Pills

Creeper Lagoon

She picked me up and threw me down
And I cant seem to find the ground
Endlessly falling, lost in the air
She took the love that I swore
I threw away and furthermore
Thoughtlessly baby, unnecessaryHow many nights did it take
For my light in her eyes to change?Shes got a way with the world
With breaking my heart
She gave me kisses and pills
Pulled me off of my heels
Till I fell apartOut of hope I hit the road
One foot left and the other didnt go
No place left to take me
Nowhere left is homeIve no one to blame but myself
And in the words I never felt
Spoken with anger
Couldnt understand herHow many nights did it take
For my light in her eyes to change?Shes got a way with the world
With breaking my heart
She gave me kisses and pills
Pulled me off of my heels
Till I fell apart
(How many nights did it take)She gave me kisses and pills
(How many nights did it take?)
Pulled me up over hills
(How many nights did it take?)
Till I fell apart
