Moonsilver

Thomas Helmig

Come over here sir by the window
Moonsilver on your face
I feel sp weirdie I feel so hollow
When I'm at such a lonely place
So if you walk up stairs I'll follow
Show you something truely important in lifeI wanna be your lover tonight
I wanna be your lover tonightGirl I've been working so many hours
Groove until the groove is gone
I need directions and destenations
I need a favour baby one on one
Would you stand in front of the mirror
Introduse me to the man I forgot to be
I wanna be your lover tonight
I wanna be your lover tonightI wanna be
All I wanna be
Come over here sit by the window
Moonsilver on your face
I feel so weirdie I feel sp hollow
When I'm at such a lonely place
So if you walk up stairs I'll follow
Show me something truely important in lifeWanna be your love baby
I wanna be your lover tonight (lover)
I wanna be your lover tonight
