

# The One

## Backstreet Boys

I'll be the one, girl  
I guess you were lost when I met you  
But still there were tears in your eyes  
So out of trust and I knew  
No more than mysteries and lies  
There you were, wild and free  
Reaching out like you needed me  
The helping hand to make it right  
I am holding you all through the night  
I'll be the one, I'll be the one  
Who will make all your sorrows undone  
I'll be the light, I'll be the light  
When you feel like there's nowhere to run  
I'll be the one to hold you  
And make sure that you'll be alright  
'Cause my faith is gone  
And I want to take it from darkness to light  
There you were, wild and free  
Reaching out like you needed me  
Helping hand to make it right  
I am holding you all through the night  
I'll be the one, I'll be the one  
Who will make all your sorrows undone  
I'll be the light, I'll be the light  
When you feel like there's nowhere to run  
I'll be the one to hold you  
And make sure that you'll be alright  
You need me like I need you  
We can share our dreams coming true  
I can show you what true love means  
Just take my hand, baby, please  
I'll be the one, I'll be the light  
Where you can run to make it all right  
I'll be the one, I'll be the light  
Where you can run  
I'll be the one, I'll be the one  
Who will make all your sorrows undone  
I'll be the light, I'll be the light  
When you feel like there's no where to run  
I'll be the one  
I'll be the one, I'll be the light  
Where you can run to make it all right  
I'll be the light  
I'll be the one, I'll be the light  
Where you can run to make it all right  
I'll be the one to hold you  
And make sure that you'll be all right  
I'll be the one
