Fitz & The Tantrums

Advisory - the following lyrics contain explicit language:

You think it's over now
You think we'll go away
But we keep climbing up
You can't keep us down A temporary no
This shit is not for play
We're not your typical
That ain't what we're here for It's time we light it up
Our match's to the grade
The tension's driving in
We ain't looking down Watch how we take the throne
Drop like a cannonball
We take the lead, no
We're never gonna follow Oh, oh oh oh oh oh oh, oh oh oh oh oh
Oh, oh oh oh oh oh oh oh oh oh oh Don't they know, the speaker is about to explode?
Don't they know, this building is about to blow?
This building is about to Blow, oh oh oh oh oh oh oh, oh oh oh oh oh
Oh, oh oh oh oh oh oh oh oh oh oh Three years of digging holes
Been burning through our clothes
Yeah we keep on rising high
You can't touch us now We give it every night
Our hearts are dynamite
We spit that fire
So you better listen up Oh oh, oh oh oh oh oh oh, oh oh oh oh oh
Oh, oh oh oh oh oh oh oh oh oh oh Don't they know, the speaker is about to explode?
Don't they know, this building is about to blow? Don't they know, the speaker is about to explode?
Don't they know, this building is about to blow?
This building is about to Blow Bang bang here we go
Everything's about to blow
(oh oh, oh oh) Our moment's going up
Blast it up and lift it up
Sky high sky high
Here we go 'bout to fly Oh, oh oh oh oh oh oh, oh oh oh oh oh

Oh, oh oh oh oh oh oh oh oh oh (x2)Don't they know, the speaker is about to explode?
Don't they know, this building is about to blow?Don't they know, the speaker is about to explode?
Don't they know, this building is about to blow?
This building is about toBlow, oh oh oh oh oh oh, oh oh oh oh oh
Oh, oh oh oh oh oh oh oh oh oh oh
