

Aids & Armageddon

David Baerwald

I get six to many fingers and a subatomic coat
I took my babay out to dinner but all she wanted
 was dope on the way to the abortion
 she said babies take hope I said all you ever do
is just sit around and mope aboutAids and Armageddon

 Armageddon and Aids

 well I don't want to talk about it
 cause I think I might have got it
 anyway I just got laid

Armageddon and AidsI dream assassination I hallucinate cash
I'm afraid of my own future I'm disgusted with my past

 I wake up dreaming every morning
 about some chemical blast my brain
 filled up with questions that I'm too afraid to ask
 I just don't wanna knowAids and Armageddon

 Armageddon and Aids

 well I don't want to talk about it
 cause I think I might have got it
 and anyway I just got paid
 that's Aids and Armageddon

Armageddon and AidsWell she was in hiding
 from the powers that be
 she viewed living
 as dying ungracefully
 our love affair ended
 the day she tried to kill me
 she said you know
 you're gonna die

I said yeah but not yetSo I wound up in Las Vegas
 to earn some alimony cash
 I made an honest dollar
 looking trhough my
 neighbors trash
 but these jaded jet set wastrels
 always pounding at my door
 they'd talk about Gandhi
 then go looking for some hoes
