

# Fell in Love (feat. Dante Bowe) [Live]

## Travis Greene

On the edge, of a cliff  
nothing below but tragedy  
at the end, of my sins  
nowhere to go  
but thou found herei feel the weight  
i feel the turn  
of my sins  
and gravity keeps pulling me down  
and i deserve it  
but your hand of your brother came in likelo ooo ove  
fell in lo oo ove  
lo ooo ove  
fell in lo oo ove  
fell in lo oo ove  
what is like  
nothing is right  
take a look, no fantasy  
in my world, in this life  
nowhere to go but thou found herei feel the weight  
i feel the touch  
oo oo  
of my sin  
and gravity keeps pulling me down  
oh i deserve itbut the hand of the cross  
fell in lo ove  
fell in lo ove  
fell in lo ove (i fell in your grace)  
fell in lo ove (fell in your mercy)  
fell in lo ove (thought it was over)  
oh no no no no no noso glad no matter what ive gone through  
no matter what I've done  
youve been a consistent God  
through it allim so glad that you hear me now  
you see me now aww aww aww  
i believe you are satisfied with methrough it it all (you hear me now)  
you see me now (see me now)  
i believe you're still in love with me  
you have ne loveyou hear me now (you hear me now)  
you see me now (you see me now)

i believe you're satisfied with me you hear me now (you hear me now)

you see me now (you see me now)

i believe you're still in love with me you hear me now

you see me now

i believe you're
