Tell All The People

The Doors

Tell all the people that you see
Follow me, follow me down
Tell all the people that you see
Set them free, follow me downYou tell them they don't have to run
We're gonna pick up everyone
Come out and take me by my hand
Gonna bury all our troubles in the sand, oh yeahCan't you see the wonder at your feet
Your life's complete, follow me down
Can't you see me growing, get your guns
The time has come to follow me downFollow me across the sea

Where milky babies seem to be

Molded, flowing revelry
With the one that set them freeTell all the people that you see

It's just me, follow me downTell all the people that you see

Follow me, follow me down

Tell all the people that you see

We'll be free, follow me downTell all the people that you see It's just me, follow me downTell all the people that you see

Follow me, follow me down

Follow me down

You got to follow me down

Follow me downTell all the people that you see

We'll be free, follow me down Tell all the people you see

Follow me

You got to follow me down
