

# Hello Carol

## The Gladiators

Hello, Carol, I'm depending on you  
Hello, Carol, I'm depending on you  
I got a fever an' fresh cold so I'm depending on you  
From my heart an' soul I'm depending on you  
So much tears on my pillow  
Like a flowing river  
Uh-huh-huh (true true)  
Uh-huh-huh (true true)  
My mama forsake me  
Then my daddy won't see me  
Now I'm like a (true true)  
A bachelor (true true)  
With no relation
