

# Kiss of Fire

## Brave Combo

I touch your lips and, all at once, the sparks go flying  
Those devil lips that know so well when I am lying  
And though I see the danger, still flames go higher  
I know I must surrender to your kiss of fire  
Just like a torch, you set my soul within me burning  
I must go on along the road, no returning  
And though it burns me, it turns me into ashes

My whole world crashes without your kiss of fire I can't resist you, what good is there in trying?

What good is there denying you're all that I desire?  
Since first I kissed you, my heart was yours completely  
If I'm a slave, then it's a slave; I want to be...Don't pity me, don't pity me  
Give me your lips - the lips you only let me borrow  
Love me tonight, devil take tomorrow  
I know that I must have your kiss although it kills me  
Though it consumes me, your kiss of fire  
I know that I must have your kiss although it kills me  
Though it consumes me, your kiss of fire
