

# Cant Sleep (Ian Carey Remix)

## Above & Beyond

Four thirty A.M, I'm awake again  
Singing to the dark through open eyes  
While dreaming I see only you and me  
Stuck between desire and compromise If I said I want you back I'd be a liar  
There's nothing left of us to long for anymore  
But inside the ashes burns an endless fire  
And every night I can't help reaching out for more And I can't sleep  
You're so far away from me  
And I can't sleep  
And I can't sleep  
And I can't sleep  
You're so far away from me  
And I can't sleep  
And I can't sleep You're leaving me scars scattered in my heart  
A road map of all the places you have been  
And I can't escape, can't wash this away  
Love has burned your mark so deep within If I said I want you back I'd be a liar  
There's nothing left of us to long for anymore  
But inside the ashes burns an endless fire  
And every night I can't help reaching out for more And I can't sleep  
You're so far away from me  
And I can't sleep  
And I can't sleep  
And I can't sleep  
You're so far away from me  
And I can't sleep  
And I can't sleep And I can't sleep  
You're so far away from me  
And I can't sleep  
And I can't sleep  
And I can't sleep  
You're so far away from me  
And I can't sleep  
And I can't sleep
