Steal Softly Thru Snow

Captain Beefheart

The black paper between a mirror breaks my heart
The moon frayed through dark velvet lightly apart
Steal softly through sunshine
Steal softly through snowThe wild goose flies from winter
Breaks my heart that I can`t go
Energy flies through a field
And the sun softly melts a nothing wheelSteal softly through sunshine
Steal softly through snow
The black paper between a mirror breaks my heart that I can`t go
The swan, their feathers don`t grow, they're spunThey live two hundred years of love, they`re one
Breaks my heart to see them cross the sun
