

# Daydreams

## John Denver

Yes, I've been dreaming about you every day  
Each and every day  
Had I been thinking about you all night long  
I even wrote a song Just to try to tell you how I really feel  
To make you understand, my love is real  
That you're on my mind all the time  
I wish to God, you were mine once again I remember talkin' to you  
I remember walkin' with you  
I remember laughin' all the time  
And you were mine Now the days seem so long  
I can't face a night alone  
I beg you please  
Won't you please come home Well, I remember talkin' to you  
I remember walkin' with you  
I remember laughin' all the time I remember singin' to you  
I remember dreamin' with you  
I remember lovin' you alone And now the days seem so long  
I can't face a night all alone  
I beg you please  
Won't you please come home Daydream  
Daydream
