

Forgive Me Twice

Brian Mcfadden

I know I've lost you
Now what can I do
I dont have an answer
Words could not erase it
I could try but it's so useless
In the end they're just excuses
Who have I been fooling
It seems it's only been myself
Thinking you'd forgive me twice
I'm the only one who's guilty
And now I'll have to pay the price
For thinking you'd forgive me twice
Oh wouldnt it be nice
You know I really love you
So what can I do?
Guess I've run out of chances
And you've run out of reasons

To take me back but even she knew
My heart's made to only love you
Who have I been fooling
It seems it's only been myself
Thinking you'd forgive me twice
I'm the only one who's guilty
And now I'll have to pay the price
For thinking you'd forgive me twice
Oh wouldnt it be nice
Things might never be the same
And I'm the one to blame
I'm sorry baby
I swore I'd never hurt you
But that's exactly what I've done
Thinking you'd forgive me twice
You know I really love you
You know I really love you
