

Baby It's Up To You

America

Time to make a change, time to rearrange
Sooner or later it's somethin' you've gotta do
Baby it's up to you, what are you gonna do?
Lately it's up to you, who's gonna help you through?
Every now and then, trying to pretend
I don't wanna see you sorry but that ain't true
Baby it's up to you, what are you gonna do?
Lately it's up to you, who's gonna see you through?
Every now and then, trying to pretend
I don't wanna see you sorry but that ain't true
Baby it's up to you, what are you gonna do?
Lately it's up to you, what are you gonna do?
Baby it's up to you, baby it's up to you
Baby it's up to you
Baby it's up to you, baby it's up to you
Who's gonna help you through?
