

Listen To The Music

Vanilla Lucy

Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
'Don't you feel it growin', I say, "Day by day"
People gettin' ready for the news
Some are happy, some are sad
Well now Mama gonna let the music play
What the people need love, is a way to make them smile
Ain't so hard to do if you know how
Gotta get a message, get it on through
Oh now Mama gonna get that after a while
Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
Yeah, ooh
Well I know you know better, everything I say
Meet me in the country for a day
We'll be happy and Mama will dance
Well my Mama gonna dance our blues away
And if I'm feelin' good to you baby and you're feelin' good to me
There ain't nothin' we can't do or say
Feelin' good, feeling fine
Well now Mama gonna let myself unwind
Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
Like a lazy flowing river surrounding castles in the sky
And the crowd is growing bigger
And they're listenin' for the happy sounds
And I got to let them fly
Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
Oh, listen to the music
Oh, listen to the music

Oh, listen to the music
All the time
Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
Oh, listen to the music
Oh, listen to the music
Oh, listen to the music
All the time
Oh, listen to the music
Listen to the music, once just listen to the music
Oh, listen to the music
Once just listen to the music, once just listen to the music
Oh, listen to the music
Once just listen to the music, once just listen to the music
All the time
