

Happy (Love Theme from "Lady Sings the Blues")

Michael Jackson

Sadness had been
Close as my next of kin
Then happy came one day
Chased my blues away My life began when happy smiled
Sweet like candy to a child
Stay here and love me just a while
Let sadness see what happy does
Let happy be where sadness was Happy, that's you
You made my life brand new
Lost as a little lamb was I
Till you came in My life began when happy smiled
Sweet like candy to a child
Stay here and love me just a while
Let sadness see what happy does
Let happy be where sadness was till now Where have I been? What lifetime was I in?
Suspended between time and space
Lonely until happy came smiling up at me Sadness had no choice but to flee
I said a prayer so silently
Let sadness see what happy does
Let happy be where sadness was till now Happy, ooh, yeah, happy
Na, na, na, na, na, na, na, na
Happy, ooh, yeah, happy
Na, na, na, na, na, na, na, na
Happy, ooh, yeah, happy
