Help

Big Time Rush

Help! I need somebody
Help! Not just anybody
Help! You know I need someone
Help!

When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone I'm not so self-assured
And now I find I've changed my mind, I've opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me?

And now my life has changed in oh so many ways
My independence seems to vanish in a haze
But every now and then I feel so insecure
I know that I need you like I've never done before

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me?

When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone I'm not so self-assured
And now I find I've changed my mind, I've opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me?

Help me. Help me, ooohhh!
