Walls

Cara Dillon

Some walls are made of stone
Some times we build our own
Some walls will stand for years
Some wash away with tearsSome walls are lined with gold
Some hearts stay safe and cold
Some walls are made of doubt
Holding in and keeping outChorus:
If there's any hope for love at all
Some walls must fallSome walls are built on pride
Some keep a child inside
Some walls are made in fear
That love let go will disappearChorusHow will you ever know what might be found
Until you let the walls come tumbling downChorus
