Incident On A Bridge

Kansas

It began in the underground, with visions of light and sound
The music revealing the deepest passion
Around us a river raged, still I knew that the scene was staged
Awaiting the consequence, I don't believe in accidentsIt's all too real, all these things we feel
As the years go by, things intensify
And I know, for each life there is a reason
And I know, for each time there is a season
The bridge leads on to a brighter dawn
It's waiting for meWe were tied by a bond of fate, in our hearts we could feel the weight
Carried along by the winds of fortune
The outcome was never known and our purpose was never shown
'Til everything fell in place, the words on the wall we could not eraseIt's all too real, all these things we feel
As the years go by, things intensify
And I know, for each life there is a reason
And I know, for each time there is a season
Now the bridge leads on to a brighter dawn
It's waiting for meEach piece is arranged, the puzzle's complete
Victory's taste is so bittersweet
No regrets for the time that was lost
For it all comes out in the endAnd the prize is worth all the tears that it cost
For the stairway you ascend
Drawing us on, unto the gate
It's where we belongThe world has a lot to give but it's worthless if you don't live
And life only comes from the one who made it
When I look back, I see the plan when I retrace the race we ran
The course was so clear and true
Each bridge that we crossed led me straight to youIt's all too real, all these things we feel
As the years go by, things intensify
And I know, for each life there is a reason
And I know, for each time there is a season
The bridge leads on to a brighter dawn
It's waiting for meAlways waiting for me
Oh I know, I know, I know, I know
I know, I know, I know, I know
[Incomprehensible]
