

# Pretender

## Run River North

What do you say to everyone that you meet  
When everything you say is so hard to believe?  
I know you mean well, man you can't sell the shit out of yourself to everyone else I know you hear me, I hear  
you too  
You're making everything all about you  
Realise, realise, real lies, and I caught you cheating on truth Mr Pretender, come and see what you've done  
Your foolish tricks, they aren't fooling anyone  
Mr Pretender, don't you know who I am?  
I am your best friend but I ain't your biggest fan What do you mean with everything that's been said?  
Everything said, it's broken and bent in different  
Wait just a minute, I can't believe it  
You're repairing yourself in front of everyone else Mr Pretender, come and see what you've done  
Your foolish tricks, they aren't fooling anyone  
Mr pretender, don't you know who I am?  
I am your best friend, I am your best friend, I am your best friend  
And I know you're trying, but the truth is flying out the door  
And it hurts my heart when I see how much of me that you, that you are Mr Pretender, come and see what  
you've done  
Your foolish tricks, they aren't fooling anyone  
Mr pretender, don't you know who I am?  
I am your best friend, but I ain't your biggest fan  
No no no, yeah yeah yeah, no no no  
I ain't your biggest fan  
No no no, yeah yeah yeah, no no no
