White Trash

The Klinik

Virgins sold in quantity
"African" American heredity
I'm playin' my guitar and I'm feelin' fine
Why are all the "niggers" in the unemployment line?
White Trash get down on your knees
Time for cake and sodomy
White Trash get down on your knees
Time for cake and sodomy
Teenage girl, a teenage queen
Until she's on video, a porno queen
She likes to give head, she likes it mean
That's why she's my little queen
White Trash! get down on your knees
Time for cake and sodomy
White Trash get down on your knees
It's time for cake and sodomy, yeah
White boy tryin' to get some behind
"Who says date rape isn't kind?"
Where's he gonna go? Who's he gonna please?
It don't matter as long as she's on her knees
White Trash get down on your knees
Time for cake and sodomy
White Trash get down on your knees
Time for cake and sodomy
