

Germans in Mexico

Electric Six

Government Man
Important Man
Walking around at night
He's got his whiskey
He's got his briefcase
He's gonna be alright
Now when you hear those sirens
Don't you think it's only gone by a drill
'Cos when El Presidente pulls the trigger
He always shoots to kill There are Germans in Mexico
Germans In Mexico
Taking over tonight
Falling in love with your daughter There's only so many rabbits
That you can pull out of your hat
There's only so much time now
You know we're running out of that Ayudame, American fighter jets!
For without you we shall not win
They come with the light and take our women for sale in Berlin There are Germans in Mexico
Germans In Mexico
Taking over tonight
Falling in love with your daughter
Taking over tonight
Falling in love with your daughter Sing everybody "Deutsche Deutsche"
Vaya con dios amigos!
Sing everybody "Deutsche Deutsche"
Vaya con dios amigos!
Sing everybody "Deutsche Deutsche"
Vaya con dios amigos!
Sing everybody "Deutsche Deutsche"
Vaya con dios amigos!
Sing everybody "Deutsche Deutsche" [Deutsche Deutsche]
Vaya con dios amigos!
Sing everybody "Deutsche Deutsche" [Deutsche Deutsche]
Vaya con dios amigos!
Sing Everybody "Deutsche Deutsche" [Deutsche Deutsche]
Vaya con dios amigos!
Everybody "Deutsche Deutsche" [Sing Everybody]
