

# Silence Is Golden (British Invasion Mix)

## The Tremeloes

Oh, don't it hurt deep inside  
To see someone do something to her?  
Oh, don't it pain to see someone cry  
Oh especially, when someone is her?

Silence is golden  
But my eyes still see  
Silence is golden, golden  
But my eyes still see

Talking is cheap, people follow like sheep  
Even though there is nowhere to go  
How could she tell, he deceived her so well  
Pity she'll be the last one to know

Silence is golden  
But my eyes still see  
Silence is golden, golden  
But my eyes still see

How many times will she fall for his lines?  
Should I tell her or should I be cool?  
And if I tried, I know she'll say I lied  
Mind your business, don't hurt her you fool

Silence is golden  
But my eyes still see  
Silence is golden, golden  
But my eyes still see

But my eyes still see  
But my eyes still see
