Beautiful Disgrace

Orgy

I see the real you
You put me in my place
Close to perfection

You're outta control, you're outta controlPardon me, I feel the need to scream

I'm ill stuck in the chemical abyss

I'm grippin' at the walls around mePardon me, if I was laughin' at the crimes

I was laughin' at the way you lie

Tell me why All lies come down to this 'Cause I don't need friends to wrap me up in red tape

Get 'em off my back, they're dead weight

In case you didn't catch my signs the first time

Let me tell you againAll my life I tried to explain

How I love myself to release the pain

Anti-magnetic, so quit your bitchin', lyin', cryin'

Tell me whyLately, inside I'm giving in to revenge

Tell me why I'm in and over my head

Why I'm in over my head

I'm in so deep that When I wake up I don't wanna know you

Tell me my name again

Just a beautiful disgrace

A beautiful disgrace, a beautiful disgraceCome with me so I can show you how to live

Burnin' the candle at both ends

I'm gripping at the walls around meDon't complicate it

I'm addicted to this life

I'll be your token of attentionAll my lies come down to thisLately inside I'm giving in to revenge

Tell me why I'm in over my head

Why I'm in over my head

I'm in so deep thatLately inside I'm giving in to revenge

Tell me why I'm in over my head

Why I'm in over my head

[Incomprehensible] The real you

You put me in my place

Close to perfection

You're out of controlI see the real you

I saw through everything

Close to perfection

I saw through everythingIf I could take away this pain

Just one more time, I might

I saw through everything

Tell me why I'm in over my headWhen I wake up I don't wanna know you

Tell me my name again
You're just a beautiful disgrace
Such a beautiful disgraceDisgrace, disgrace
You're such a beautiful disgrace
You're so vain, vain, vainGrow your guilt from another vine
I've given this enough time
Lately, inside I'm giving inGrow your guilt from another vine
I've given this enough time
Lately, inside I'm giving inGrow your guilt from another vine
I've given this enough time
Lately, inside I'm giving inGrow your guilt from another vine
I've given this enough time
Lately, inside I'm giving inGrow your guilt from another vine
I've given this enough time[Inaudible]
Such a beautiful disgrace
You're so vain, vain, disgrace
