

Have You Ever Loved a Woman

The Kentucky Headhunters

Have you ever loved a woman
So much you tremble in pain?
Have you ever loved a woman
So much you tremble in pain?
When all the time you know
She bears another man's name But you just love that woman
So much it's a shame and a sin
But you just, you just love that woman
So much it's a shame, it's a shame and a sin
When you known all the time
She belongs to your very best friend Let me tell you [Incomprehensible] Have you ever loved a woman
And you know you can't leave her alone?
And you know, yes, you know you can't leave her alone?
Have you, have you ever loved a woman
And you know you can't leave her alone?
Something deep inside of you
Won't let you wreck your best friend's home
