Lady Sweet

Big Star

Lady Sweet, I declare
That you're the troubled girl for me
There'd be stars above but there is no either
Better lover down the street
Looks like you cant be beatAnd I might as well be losing sleep
For all the good it would do me
When the fear of failing runs so deep and purelyLady Sweet, don't tell me that I've gone crazy
And your beauty is only in my mind
For I can say that what I see
Is so exactly what I need to find
Maybe one more timeAnd I might as well be losing sleep
For all the good it would do me
When the fear of failing runs so deeply and truly
Lady SweetCant you see that Im free to choose?
And I choose Lady Sweet
I know she cant be beatI might as well be losing sleep
For all the good it would do me
When the fear of failing runs so deep inside
Just one more timeYeah, I might as well be losing sleep
Truly straight on through me
The fear of failing runs so deep
I do believe it's Lady Sweet
