

# It Happens (Album Version)

## Days Away

I forced it down,  
cause' I haven't cared about anyone.  
and they found me out,  
because they know I haven't cared at all. Do you want a chance ?  
'Cause I want mine.  
Don't take it out on me. It happens every time,  
i try.  
and i can,  
keep it personal for anyone who cares. just keep in mind, it's my time  
so i'll do what i think i'm supposed to.  
keep in my head, on my time  
i do what i know i can. and do you want a chance ?  
cause i want mine.  
don't take it out on me. it happens every time,  
i try.  
and i can,  
keep it personal for anyone who cares. every time, i try.  
i can.  
keep it personal,  
for anyone who cares. Do you,  
do you now ?  
do you,  
do you now ? every time, i try.  
i can.  
keep it personal,  
for anyone who cares. everytime, i try.  
i-i-i can.  
keep it personal,  
for anyone who cares. i forced it down,  
cause' i haven't cared about anyone.  
and they found me out,  
'cause they know i haven't cared at all.
