No Truce

A Perfect Murder

Known For Years The Trouble You've Been Causing
And You Thought We Wouldn't Have Seen Anything
Now That The Real Truth Is Resurfacing
It Isn't Your Innoncence You Should Be Claiming
Don't Wait For A Truce
The War Is On, The War Is On
Don't Wait For A Truce
The War Is On, The War Is OnYou Try So Hard To Deny
All The Mistakes And All The Lies
We've Heard The Bullshit, We Know The Lies
No Excuses Can Get You Off This TimeDon't Wait For A Truce
The War Is On, The War Is On
Don't Wait For A Truce
The War Is On, The War Is On
