Angel

Cody Simpson

My angel,
How'd you get to be so fly,
How'd you get to shine so bright, girl
How'd you get to look like that,
Heaven don't you call her back, yeah
doo doo doo doo do,
Halo Halo, I'm not sayin' hi,
Baby there's a ring above your head,
And it shines so bright in the sunlight, in the sunlight
Ayo Ayo, this is like a dream
Every bit of you it makes me weak,
How did I get here, in the sunlight, in the sun
I must be in Heaven
Cause I'm looking at an Angel
Whose staring back at me
Her eyes so heavenly
I must be in Heaven
Cause I'm looking at an Angel
There's no one on this Earth
that's made this beautiful
I must be in Heaven
Here we are, looking at the stars
I can hear, the beating of your heart,
I could listen to this song forever
You're the breeze, cruising down my coast,
You're the jam, baby I'm the toast,
It's so sweet when we're together

And if I ruled the world I'd name an island for ya,
You could tell all your girls I named an island for you,
I must be in Heaven
Cause I'm looking at an Angel
Whose staring back at me
Her eyes so heavenly
I must be in Heaven
Cause I'm looking at an Angel
There's no one on this Earth
that's made so beautiful
I must be in heaven

Halo, Halo I'm not saying hi
baby there's a ring above your head
and it shines so bright in the moonlight
in the moonlight, my angel
How'd you get to be so fly,
How'd you get to shine so bright, girl
How'd you get to look like that,
Please heaven don't you call her back,
doo doo doo doo do
doo doo doo doo do
My Angel,
doo doo doo doo do
mmm mmm mmm mmm mm
My Angel
