Lovin

Mohombi

Give me your lovin', ooh, give me your lovin'
Give me your lovin', ooh, give me your lovin'
Give me all your lovin', lovin', lovin'
Give me all your lovin', lovin', lovin'Everytime I talk about love
People tell me I've changed
When I talk about us
There's a smile on my faceHave I ever told you, how much I love you, how much I care
I would'nt ain't then do, to have you coming through his wayA girl like you, should be given what you deserve
We can choose, if you're my capital worldGive me all your lovin', lovin', lovin'
Girl, your love is one of the kind
You know the lovin', lovin', lovin'
There's no word I wouldn't find
You keep coming, coming, coming back (oohheeoohh)
Like a, like a boomerang (oohheeoohh)
Give me all your lovin', lovin', lovin'
Girl, your love is one of the kind
Give me your lovin', ooh, give me your lovin'
Give me your lovin', ooh, give me your lovin'Everyday I wanna wake up
Watch your stroke never change
Like a face with a make-up
A supper natural thingIf I never knowed you, at stay belive it's all a game
When I were about to give up, 'cause you, baby, without you ego spainA girl like you, should be given what you deserve
We can choose, if you're my capital worldGive me all your lovin', lovin', lovin'
Girl, your love is one of the kind
You know the lovin', lovin', lovin'
There's no word I wouldn't find
You keep coming, coming, coming back (oohheeoohh)
Like a, like a boomerang (oohheeoohh)
Give me all your lovin', lovin', lovin'
Girl, your love is one of the kind
Give me your lovin', ooh, give me your lovin'
Give me your lovin', ooh, give me your lovin'Lookin' at, lookin' at one of the kind
Pickin' back, pickin' back, too many times
Bring me back, bring me back, my appetite
(Bring me back my-y appetite)Lookin' at, lookin' at one of the kind
Pickin' back, pickin' back, too many times
Bring me back, bring me back, my appetiteA girl like you, should be given what you deserve
We can choose, if you're my capital worldGive me all your lovin', lovin', lovin'

Girl, your love is one of the kind
You know the lovin', lovin', lovin'
There's no word I wouldn't find
You keep coming, coming, coming back (oohheeoohh)
Like a, like a boomerang (oohheeoohh)
Give me all your lovin', lovin', lovin'
Girl, your love is one of the kind
Give me your lovin', ooh, give me your lovin'
Give me your lovin', ooh, give me your lovin'
Give me your lovin', ooh, give me your lovin'
Give me your lovin', ooh, give me your lovin'
