Gutter Ballet

Savatage

Another sleepless night A concrete paradise Sirens screaming in the heat Neon cuts the eye As the jester sighs At the world beneath his feetIt's a gutter ballet Just a menagerie Still the orchestra plays In the darkness of the night To a distant fading lightBalanced on their knives Little parts of lives Such a strange reality Kill the unicorn Just to have its horn Soon he's just a fantasyIt's a gutter ballet Just a menagerie Still the orchestra plays On a dark and lonely night To a distant fading lightThe jester takes his bows Slips into the crowd As the actors fade away Another death to mourn Another child is born Another chapter in the playIt's a gutter ballet Just a menagerie Still the orchestra plays On a dark and lonely night

To a distant fading lightIt's a gutter ballet
A gutter ballet
Oh a gutter ballet
Oh a gutter ballet, yeah
