La
La la la la la la
La la la la la la
La
La la la la la la
La la la la la laThe night I laid my eyes on you
Felt everything around me move
Got nervous when you looked my way
But you knew all the words to say
Then your love slowly moved right in
All this time oh my love where you been[Chorus]
Mi amore don't you know
My love I want you so
Sugar you make my soul complete
Rapture tastes so sweetLa
La la la la la la
La la la la la la
La
La la la la la la
La la la la la laI'm mesmerized in every way
You keep me in a state of daze
You're kisses make my skin feel weak
I'm always melting in your heat
Then I soar like a bird in the wind
Oh I glide as I'm flying through heaven[Chorus: x2]Since we connect behind closed doors
Spark this fire even more
No telling where we will be next
Surrender to your rapture arrest
Lay your head, let the slumber float
Can't resist, that's why words were wrote[Chorus: x4]Mi amore don't you know...
