

# Trust Issues

## The Weeknd

All she cares about is money and the city where she's from  
Her intention is on paper  
She don't need no fucking love  
She's spillin' all this liquor tryna pass me all these cups  
Well baby girl I'm zonin' somebody should have told her I popped one  
F-ck it I popped one  
Oh girl I'm on one  
F-ck it I popped one  
I popped one Girl I'm lying, I'm on a few  
Don't you worry this aint new  
Can we take this to your spot, I'm on eviction number 2  
Cause I popped one F-ck it I popped one  
Oooh yeah, Oooh yeah, Oooh yeah, Oooh yeah  
Trust issues Oooh yeah, Oooh yeah, Oooh yeah, Oooh yeah, oooah Do you know whats going on over here (I do,  
I do, I do)  
Have you even bothered to look? (I did, Oh did, I did)  
Well if you know, than let me know  
We don't have to keep runnin' in these circles (in these circles)  
No more Trust issues  
Trust issues  
Trust issues  
Trust issues  
Trust issues Trust issues, no more  
Trust issues, no more  
Trust issues, no more
